We require all dogs left in our care to be current on vaccinations.

Arrangements to leave or pick up a dog should be made at a reasonable hour. It is always advisable to call first. If you are unable to keep an appointment please call and cancel it.

Please do not leave any leashes, grooming equipment, dog bowls or other items of value with your dog. We ask that you send your own food for your dog so his/her diet will not be changed. Let us know if you do not want photos or if you have a personal preference of photographers.

We attempt to call while on the road whenever there is a win such as groups, a major, breeds and group placements from the classes or finishing a dog. Our schedule does not always permit us time to make all the calls we would like to, but we do our best to keep you informed. If there is any serious problem with your dog you will hear immediately...otherwise expect that all is well.

You are welcome to see our kennel facilities and traveling accommodations and if you do not find them entirely satisfactory, do not leave your dog in our care.

If any of our business practices are not clearly understood please feel free to ask any questions you may have.

We will do the best possible job for our charges for which we shall expect to be paid promptly.

Included is a tentative schedule of the shows we will be attending this year.
